TO WHOM IT MAY CONCERN, RESPECTED SIR/MADAM :

I am writing this letter to apply for your position . I am a final year Data Science Engineering student at TEK-UP University Tunisia. Currently I am in winter exchange semester in Schmalkalden university Germany, Looking to gain professional experience in my field, Passionate about innovation and new technologies, constantly eager to learn and take on new challenges.

During the last three years I have been continuously working with data in my study and my internships. I have multiple projects In Machine learning, Deep learning, NLP and Business Intelligence (SQL server, Power BI). I am also a certified Python programmer (PCAP), certified Amazon cloud practitioner(CCP) and Huawei Certified ICT Associate Artificial Intelligence (HCIA-AI) and I am currently working on the AWS Solutions Architect Certification. But most importantly I love what I do and I'm eager to learn, I know I have a long way to go and that's why I want to learn and grow with the best!

I am very enthusiastic about possibly snatching the opportunity to be part of your company. I'm very fluent in English and I definitely don't lack the motivation nor the speed to learn new skills.

Looking forward to hearing from you, thank you for your time and consideration. Best Regards,

FAOUZI SLIMI
